WHITMER & WORRALL HEALTHCARE PRACTICE OVERVIEW

Whitmer & Worrall has built a premier healthcare government relations practice over the past sixteen years. Our firm works closely with the Department of Health and Human Services (HHS) and the Centers for Medicare and Medicaid Services (CMS). We also maintain close relationships with Members of Congress and staff serving on key Congressional committees in health care.

Our strategic capabilities include:

- Navigating changes in the healthcare landscape
- Advancing clinical research and development
- Adjusting CMS reimbursement models that meet industry standards and ensure patient access to quality care
- Supporting access to Personal Protective Equipment (PPE) during the COVID-19 pandemic
- Encouraging the use of precision medicine in medical treatment
- Reforming CMS programs and policies, including on behalf of the respiratory care industry
- Securing federal funding opportunities for the healthcare sector
- Educating policymakers on healthcare workforce and medical supply chain shortages
